Advertising Balloon A Hit At Hershey Swap Meet

Advertising Director Chet Wojcik reported the new advertising helium balloon that was purchased to use at Hershey to help members spot our MAFCA booth was a big hit. Everyone just had to just look up and see the balloon and find the booth much easier than in the past.

October Board Meeting Was Held in Kansas City

The October Board Meeting was held in Kansas City at the invitation of Jim Spawn, Editor of *The Restorer*, and Bolte-Hall Publishing Company who prints *The Restorer*. The Board was able to tour the printing company and see the process of producing *The Restorer* first hand. At the end of the tour, the Board members were each given the November/December issue of *The Restorer* "hot off the press."

Article on General Liability Insurance for MAFCA
and Its Regions and Chapters

Chapter Coordinator, Stephanie Grundman, has written an article in the November/December issue of *The Restorer* (Page 12) concerning the General Liability Insurance coverage for MAFCA and all its Regions and Chapters. Be sure to read this article and keep it with your chapter's insurance information for future reference. It will be very helpful.

MAFCA Office to Stock Nylon Badge Holders

The MAFCA office is going to stock a nylon badge holder for purchase by chapters or individuals for Meets and Conventions. These badge holders should be in stock in the Spring and will be advertised in *The Restorer* when they are available.
