

# EFC Recent Accomplishments

Anne Neely-Beck

The Era Fashion Committee continues to seek and improve ways for interested MAFCA members to achieve the qualifications necessary to become a fashion judge. One of the most recent noteworthy accomplishments was revision of the Era Fashion Tests and the availability to all to download the tests via the [MAFCA web site](#).

Biographical sketches of the current Era Fashion Committee members are posted in the Era Fashion section of the web site so all MAFCA members can familiarize themselves with these hardworking ladies.

The fashion section of the web site also contains bi-monthly articles authored by current Era Fashion Committee members. The articles are very informative, and the reader can escape back to the Model A era with a new perspective. All articles remain on the web site for viewing indefinitely.

One of the most time consuming recent accomplishments of EFC has been the revision of *the Era Fashion Guidelines*. This was a monumental task, but the results are splendid and the publication forthright. Revisions are available from MAFCA headquarters.

The revision of the *Fashion Judging Procedure Manual* has been completed and is available to MAFCA members on request and from the [MAFCA web site](#).

The revision of the Era Fashion Judge's Roster is an ongoing task. It is in the process of being fine tuned for 2006 and will be available upon request from MAFCA headquarters for judging purposes.
